cheesesoda wrote on Tue, 01 July 2008 02:33l like privatized healthcare.

If you're a rich mean lady, yeah.

If your some poor kid with leukemia who's parents have no money, but work 4 jobs, raise the money and find out they now need to pay more because their son doesn't have health insurance.

a few months later the kid dies, privatized health care what now?

more like privatized execution.
