I have never heard of it. I seem to be able to set up regular clan matches well enough, but I guess another resource will be useful.

Still, Jim, don't bash the forums for no reason. Let's try to keep things positive.

By the way, Jim, are you affiliated with a clan? I noticed you do not have a clan tag in your sig. I thought you were with OPS or something. If you are in a clan, and it has a homepage, post it here, and I will challenge you.
