ok im making a little map but i want to add another team to the PCT bit

but it only lets me pic nod or gdi

how do i add a new team alltogether

so i can make new PCT and and new team

like were in vehicle you can pic a team out of 5 differant ones but non work on PCT besides nod and GDI

hope you know what i mean

like the mutants have a PCT but when they press E on it it crashed game and turns off

cos there isnt a team purchase settings or purchase settings that allow you to pick team mutant

EDIT: Like these rough makes
