Ryu wrote on Tue, 08 July 2008 16:41WWE Wrestling is staged, About 10-20 years ago it was real, but the problem is, is that wrestlers died so they changed regulations and now it's staged.

heck, even the winners and losers are chosen, lol.

sorry even 25 years ago as teenagers we would argue if Wrestling was fake and even the most hard core wrestling fans would agree,  
"Yeah it's fake...but so are movies."
