spreegemIf it is fake, why are you able to buy the stuff??? and also, I see no, this is a joke banner, or anything.

Exactly where on that site are you able to purchase anything? It does say:

Quote:Coming soon!

Mastercard, Discover, PayPal

Secure online ordering

This is on the bottom of the "Sales" page. But this is obviously fake also, otherwise it would already be functioning. It's just to add to the joke.
