---

Stars Nathan Fillion, Neil Patric Harris and Felicia Day !

<http://www.drhorrible.com/index.html>

Watch act I Here

Watch act II Here

Act III coming on July 19th.

Enjoy, funny stuff.

For anyone who is still curious, It's a Sing-a-long about a guy who wants to take over the world and his encounters with his enemy Captain Hammer and how he's trying to steal the girl of his dreams, it's funny though, and awesome, since it is Joss Whedon.
