I like C&C mode fan maps, most of which were made by ACK and Titan1x77.

10. River Canyon, (ACK)
 9. Snow, (dunno)
 8. Terrace, (Titan1x77)
 7. BunkersTS, (ACK)
 6. Cario, (Titan1x77)
 5. BasinTS, (ACK)
 4. Dust Training, (Tiatn1x77)
 3. Tropics, (ACK)
 2. Tib_Pit_3, (Titan1x77)
 1. Lunar Landing, (dunno)
