There were gaming forums where I was bumping 2-3 year old topics. I used to bump those threads from 2004 about Nod Laser chaingunners because I found this game, and was excited. Nobody cared lol and they pointed out my n00bishness..Sure, I had my fair share of criticism,,from many users lol...

but I eventually learn the tricks of the forum trade...so give time plx thx.....
All I pointed out was that he isn't innocent, as he pretty much implied. Are you going to try to argue otherwise? It wasn't a criticism of him, it was just me pointing out the foolishness of pointing fingers when he is just as guilty.

As for hiding the last sentence, it wasn't really all that relevant, so I hid it rather than deleting it.
