I'm too good at understanding someone else's side of something and not good at understanding my own side of something... I'll just say McCain cause my entire family says so. Lol.

Thanks you for thinking in an unbiased way man...! I kinda feel the same way. I would like McCain to be president but am also veyr eager to see what sort of change Obama may bring.

Remeber that very few countries respect America now...sure most are friends but many disagree with the Iraq wars. America has a major image problem that needs to be rectified soon...I am NOT so sure that McCain can do that while Obama can but not without weakining America further.
