KristyGirl wrote on Mon, 04 August 2008 17:18Wow, is it that nessary to announce to the whole world that you were gone for like a week?

He didn't know how long it would take... And I don't know about you, but even if I'm just gone the weekend then people start asking me where I was the day after... It's only polite to inform people who might want to talk to you that you will be gone for a little while.

Anyway, welcome back jonwil.
