I recently installed renegade and following the steps that this post said >>>
<http://www.renegadeforums.com/index.php?t=msg&th=24533&start=0&rid=2> 4127. I just got done running the file Patcher.exe and it says.

"If you are experience problems with renegade (e.g. renegade won't start, always.dbs missing, wrong language), make a note of what this program says and report it to Blackhand Studios.

Language ID = 0

Removing old always.dbs

error 2

Now I just started up renegade and I have no video when it loads I only have sound. If anyone can help that would be great. Thanks.
