Basically this -> <http://www.renegadeforums.com/index.php?t=msg&th=29329&start=0&rid=21078>

There are a few things added since then, but all of those are basically in here (more-or-less).

You will never get everyone to agree on everything. Look at the pointfix topics and all the bs that is in those.

Another quick one, the outside PT glitch. This is abused basically by everyone (even I do it). If it's a bug it should be gone. It affects everyone the same way, so all gameplays are the same, you will just have to not abuse glitches so much, or not at all.

If something can be proven it's a bug, it should be fixed by all means.
