gkl21 wrote on Sun, 10 August 2008 17:33 Another quick one, the outside PT glitch. This is abused basically by everyone (even I do it). If it's a bug it should be gone. It affects everyone the same way, so all gameplays are the same, you will just have to not abuse glitches so much, or not at all.

It's actually not that hard to fix. I made a fix for my server but no one seemed to want it so I removed it. Not sure if this should be removed.. maybe something to be left to the server owners.
