billy wrote on Mon, 11 August 2008 23:47TT was made to fix bugs in the game that were negative to gameplay. This bug isnt negative at all. its a huge part of gameplay. jusyt dont change it.

Do you actually believe the nonsense you type?

Oh, and I'm still waiting for some decent arguments against fixing these bugs. "We're used to it" and "it's easier" and similiar arguments aren't valid, so don't bother repeating them.
