billy wrote on Tue, 12 August 2008 11:33 yeah because you've played so many games in the past months.

and what does that prove? I've still got a better idea of how strategies in clanwars work than... pretty much anybody.

billy wrote on Tue, 12 August 2008 11:33 in pubs too, get a sbh to nuke bar on walls fly on back corner farthest from pp and have an apache come in and its gg.

yes, I suppose that would be gg if GDI was dumb enough not to have any orcas or havocs.
