kong009 wrote on Sat, 16 August 2008 16:08the only people who want it are the people developing the patch, and you are the minority.

I'm not developing anything, let alone the TT patch. I don't think you're actually reading anything, or you're grossly exaggerating facts and figures to suit your opinion. I still want to see some solid reasoning from this "majority" of players against it.
