StealthEye wrote on Fri, 22 August 2008 02:10Tbh, this is not something to vote on. Votes to ban people are stupid imo. I haven't voted.

I don't agree 100 %. If 95 % of this community doesn't want troop here, and Troop can't draw his conclusions then maybe he needs some help. I seem to remember that Crimson did do this in the past.

However, this isn't an official poll, made by an admin. It does give an indication, though.
