This is a mod that changes your C-130 into an A-10. The CARGO you buy rolls off the top of the a-10, it looks kinda funny.

The Roll\_off\_a10.bmp is the picture above.

If yo like this mod, you can find it (and others) here: http://www.renegadeforums.com/index.php?t=msg&goto=348186&rid=24163#msg\_ 348186
