xmobster55: 2 weeks ban. One doesn't go threatening other people's life on a forum I moderate.

cheesesoda: 3 days ban. You happily jumped on xmobster's wagon. WTF are you thinking to lower yourself to that level?

sadukar09: 3 days ban. I'm getting really annoyed by the amount of spam and provocation your post.

When the three of you get back, I won't be as easy going on you as before.

I can see the irony of the fact that 3 people get banned over a topic asking for troop to be banned while he's still here.

trooprm02: 8 days ban for all the provocation, disrespect to other members, spam, flaming, ... you posted in the last ... ermmm year? Moreover, you have had a 3 days ban before and were clearly warned not to push it.

I hope that during these 8 days, I can reach Crimson and talk the result of this poll over with her. The fact over 80 % of the people who voted want you gone is something I'm not wishing to ignore.

I also want to take the opportunity to ask everyone to read this very simple rule again:

Quote:Harassment/Racism/Flaming: Harassment of other members, racism, or any hate speech in general will not be tolerated. Moderators will be the judge of what is intolerable, and what is not. Also, please refrain from flaming other members. If you really must, keep it inside of the Hot Issues forum.

Respect is important in any community and you cannot gain respect if you don't give it to others.

Any ban evaders will see their ban period tripled.

Good job.
