NEW!

This mod gives you a SUPED-UP APC!

The APC has:
600 health, and 600 armor (originally 300/300)
Tech/Hottie Repair Gun
Repair gun used in SP (has a repair attack function)
Rocket Luancher
Volt
Ramjet
Pistall
Flame
Stealth
Regenerating Health/Armor

COOL HU?

These weapons are controlld buy the #s on the top of your keybord. The only thing it shows is the amo, not the # and weapons up on the top of your screen like if your an inf when you change weapons. Here are a few pic of weapons in action, and the APC:

-Install like all others, insert the C-130 file in your data folder.
