I am the tech who disarm your nuke 1 second before it blows.

I am the tech mining up your GDI base. (mines on headlevel are funny )

I am the SBH strapping a big chunk of timed C4 on your back and /page victim let's play a little game, its called "you have 30sec to find a vehicle"

I am the shotgunner killing of your havoc in 1 shot

I am w0dka.
