These forums should stop with banning now. You all are like "GOZTOW" YOUR THE KEY!!!

Could this board be about renegade now and not about the ban stuff? Goztow seems to be a good guy, but regular people should stop with the "BAN" thing for a time. Seriously, no one wants big threads about " HE IS AN IDIOT, BAN TROP.." stuff like that.

So we had two choices:

Convince the entire forums to put trooprm on ignore,
or just ban him.

Honestly, banning someone who's caused this much problems with the forum members here lately, is probably a good idea.
