---

i install rengaurd and play then i get this

16:20] Trying to connect to server #1...Connected!

[16:20] Secure link established.

[16:20] Welcome to RenGuard,

[16:20] To launch Renegade, please click 'Renegade'.

directory.

[16:20] You have been disconnected from RenGuard,

d

how to fix it
