I was on AtomiX-GaminG AOW (RR server) a few minutes ago when I became suspicious when my teammates and I were constantly killed while walking around the base in less than a second, supposedly by AC-C4~Smoke.Masters with an autorifle.

The repeatedly happened, even when standing inside a building right after spawning. Unfortunately a nickname can be spoofed easily without a password, and that's the only information I can give you along with the videos. No moderators were online.

Videos are Xvid encoded. Please do not stream from the server.
