TaximesI took/am taking Latin in school rather than German, Spanish, Italian or whatnot.

Doesn't do much for speaking the other languages accurately, but you'd be surprised how accurately I could interpret any of the romance languages from it, obviously because they're all derived from Latin.

Latin: Dies Bonus

French: Bon Jour

Italian: Il Giorno buono

Portugese: Bom Dias

My school used to give Latin classes, then they had the stupid idea of changing it for French. WTF were they thinking!!!! Damn school commitee!!
