Yesterday , because all my fauvorite servers were almost empty i decided to check a new one Renegade comunity marathom #1 There i had a great ping(120-150) I played 9 games, the first one was already started and i lost but the next 8 i won them all. So i get 8 MPV and some more medals, what happened? a guy(tainted) decided to pm me saying that if i win more mpv i was gona get ban my rank lol. Because i get bored , in the 9th map i left that server. I have come today soon and i have watched that all the medals i won yesterday are gone. Is that posible , because a moron cant win u he get mad and do that?

Watch my medals. <http://img237.imageshack.us/my.php?image=ujuiunle1.jpg>
