Sk8rRIMukbrent3000why dont you just get the Rene matrix pack it is a full renegade skin collection

Hi Brent,

Finally registered and posted ey?

I agree with brent but...

If you just wan't an Matrix STank try this:

<http://www.planetcnc.com/files/main/index.asp?singlefile=yes&fileid=1153>

yeah i was at school and i was on the computers so what the hell. The matrix tank is cool but i am still with the full Rene Matrix skin all they need now is the characters from matrix then then you will have your self a mod
