Cabal8616 wrote on Thu, 02 October 2008 18:53 There's a difference between education and common sense. It's like if I went into a forum about politics, and complained about my cell phone dying, and asking how I can get it fixed.

Also, Goztow, why didn't you lock it and then post saying why it was locked?

So you feel the need to be a complete dick about it?

Your e-peen must be huge...
