You really don't know what you're talking about most of the time, do you? Led Zeppelin is just as British as The Who.

yeah but The Who boast about it, Plus all their songs are on the CSI intros, and I've never seen Led Zeppelin boast about being jolly 'ol British!

Ninja edit: oh and I'm not really intrested in Led Zepp. so I didn't really know they're British (if they even are, to Wikipedia!)
