Just because you haven't got a reply it does not mean you were ignored. Patience.

If he truly ignored you, ask again. Most people here aren't mean or rude, but I doubt that all users here have time to check the forums and work requests all day. There is only 7 hours time between your two posts.

That being said, I second samous's suggestion. If it really does not take very long to change it then we'd appreciate the effort.

Awesome job with the characters so far

thanks. Although i ment about other stuff to, like the NCIS stuff and the star wars Sand Crwaler stuff.
