[NEFobby[GEN] wrote on Sat, 01 November 2008 16:34]Firstly, it's Tiberium, not C&C Tiberium.

Secondly, it's been canceled for not meeting EA's standards. Does that make it a good game or a bad game? You be the judge.

Either EA thought that there weren't enough bugs in it, or more likely, there were way too many bugs in it to even get it in a releasable state.

Or they realized that it would just be a BF clone, but I think that would not be a problem to them.
