have the same problem.

I signed up with zunnie@game-maps.net with nickname zunnie for the forums and
when i try to login it says "User is not valid or doesn't have access to this site" while i just
registered a min ago lol.

I had the same problem too! But in the link Gozy posted, you have to sign in here:
<http://www.commandandconquer.com/>

Sign in to the top-right corner. A window will pop out asking for info. Then it works from there.

NOTE: The site is slow to load.

I'll try that then but for now:
"Service Temporarily Unavailable

The server is temporarily unable to service your request due to maintenance downtime or capacity
problems. Please try again later."

lol....
