Cabal8616 wrote on Wed, 05 November 2008 17:57 While I understand what you mean, that was a terrible analogy. Mostly, because the Soviets apparently went back in time to stop the creation of the chronosphere. Your analogy comes off as if it's saying "Thomas Edison died, didn't he? And the lightbulb still exists!".

well, if that's the case... my bad. Also, yea, my analogy does come off saying that. I don't get your point in it though?
