i am wondering, but u guys do have talks with westwood/ea right?

so how do they talk about renegade?

'oh a patch? cool we'll help if we have some time' or more a 'yeah whatever' kind of way?

did they say it was an unfinished game, or are they actually happy about the result?

hope u can answer the question (it's not really TT related, but didn't know where else to post this)
