if your going to post a response like that calling one of the co candidates a "n00b" then you obviously lack the maturity to vote, let alone post in this topic.
I didn't vote for him because of his policies and the fact that he has lied on several occasions, among other fuck ups.
It seems more than likely that he got so much of the vote because of the color of his skin.
I really hate how ignorant America can be sometimes.
