Well it is more that I don't want to take anything as beta stuff for granted with ease.

Hmm indeed those are reversed havent really seen that. My bad there.

It is possible that there are different versions of the mutants. Only I was like can these be real? Plus you where a bit secretive about the finding location that why I might have argued to soon.

The sniper rifle is an inconsistence of a different sort. It is just the deadeye icon with the old 500 sniper. ->
