Saberhawk wrote on Mon, 17 November 2008 01:36: Are there really so few people that have no problems with Vista? My copy has worked almost flawlessly

Ditto. I often think people hate Vista just because other people do and they just follow the crowd like sheep.

Dave Anderson wrote on Mon, 17 November 2008 02:39: The funny part being: developers, or the like, are some of the most destructive users to their environments, yet have the least problems.

Very true!
