filled with n00bs here

haha and what are you?

Quote:A notice to all Renegade forums posters: don't ever post skins/changed models on here, people will immediately call it cheats and attack you left and right for it, regardless of how awesome the work is.

It wasn't an attack, i like the door skin too.  
Both works are looking awesome but wallhack is wallhack and i'm sure that these guys here can skin awesome doors without windows.
