TankClash wrote on Sat, 22 November 2008 15:03 Given the situation you're in, the type of vehicle would be best for that job, soo... Stealth tank for my ground vehicle, and the Apache for air vehicle. But the long range mofo's like MRLS and Arty are great for bombarding enemies from afar without "fear" of retaliation.

I know there is a vehicle for every situation, but what is 'your personal favourite' vehicle in renegade? Unless those are your personal faves. *meh* beats me lol!
