where do u get that from? its probably gonna be out in 2020 if ever...

Meanwhile, Hitman's Renegade 2.0 will be released very shortly! Containing a far improved engine, better artwork and flawless anti-cheat - this update will solve every problem ever experienced by any player of Renegade ever!

Seriously Hitman - help or be quiet, it's tricky understanding 3D code when it's written in some high level language approximating English, let alone freaking binary...
