samous wrote on Tue, 25 November 2008 19:52I request a map to be made that all it is a simple NOD airstrip from MP, and big expanse. I intend to use this just to test out my C-130 mods, so all it has to be is an airstrip and a big playing field (also some PT, min of 1). Could anyone make this for me? it should be relativly simple, i'm just bad at making maps.

=samous

I'll try to do it right now but if it doesn't show up for a day or two please be patient.
