samous wrote on Wed, 03 December 2008 16:57u make alot of good stuff, i even use the following as my desktop background.

http://xxlimg.com/images/pnk5rz0lvticub4x1aso.jpg

Don't want to make more images, a ton here already, so just made a link.
ok, now, go to your desktop, push "preent screen" button, open paint, insert your images, save it as .jpg, go to random image hosting site, upload image and post it here

and dont forget the police auction
