ErroR wrote on Mon, 08 December 2008 10:00 what do you mean amphibious vehicles ? there isn't even water ingame (or u mean flying ?)

He wants to have the amphibious apc from tibsun. (For land to water vehicle[flotation])

Although I find it a good idea but I don't think TT should focus on amphibious vehicles. (Although it would be a nice feature)
