I have been checking this yes just not have time to try it yet, his funeral is tomorrow and today im be busy....maybe tonite im try

Did you notice he posted a direct link to the video?

andr3w282 wrote on Tue, 09 December 2008 02:36Sucks to hear man.

Heres a copy of it incase you haven't been able to record/download it.

I recorded this with an app i have to AVI then converted to WMV with windows movie maker.

Its on the highest quality I could get it at, so idk you might be able to find or do something better.

Anyways heres the video::

<http://www.megaupload.com/?d=J4SQ46OQ>

Also,

I'm sorry for your loss...
