Try_lee wrote on Sat, 03 January 2009 22:21Ooooooh... I'd like a PT with my name on it, in black if possible, and I'd also like it to display the current time please. I often lose track of time whilst playing, so it'd be really handy.

Sorry, I can't Your name's color is irrelevant, it has to do with the current health of the building and putting it in black would make it invisible. And the skin is a simple image, that's all, so it can't display the time. (Get X-fire. It does this wonderfully.)

I will make one with your name + a pic or two if you want.
