Subject: Commander Plugin?? Or Server Side Mod?
Posted by SniperKitten on Sun, 11 Jan 2009 02:58:56 GMT

Im wondering cause i really really badly need this. is there a plugin for commander and stuff.

like i mean GDI:Commander Nod:Commander

like that, that can use !weapon !veh, and stuff along those lines. is there anythiing out there that has that for Bren Bot, Or NR, Or Anything Or just a server side mod?? It would be very helpfull if someone could help me with this!
