KobraOps wrote on Sat, 10 January 2009 10:54If you are running RR you can not use the exploit in any server i believe. But if the server is running RR then no one in that server and use that exploit

Actually, when I ran RR, that's the only time I could replicate that bug. Also, I'm with R3 and madrocks on their later posts - I've had to use the team kill glitch on team hamperers too. lol.
