Cabal8616 wrote on Tue, 13 January 2009 15:44Rp2 has had tons of releases, although 1.4 has the most stable swimming. And considering it still has bugs... yeah.

But, I'm somewhat surprised you haven't. It's a great showcase of what Renegade can do.

lol, i never knew that, i never went swimming b4. All i have ever done is drive a car into the water, which did nothing.

=samous

-i might not have been reading close enough, but what do you want the swimming thing for?
