Quote:For example i saw a screen from gozy with some extra information about his client a while ago.

I don't think diagnostic information on lag (net update rate) helps me a lot...

<http://www.thekoss2.org/community/download/file.php?id=582>

Anyway, i decided it may be best to close this topic, so we can continue this discussion (in case of new arguments) in the other topic about this: [here](#).
