i always ask my requesters if they want there skins to be private or public and he said public so i posted it that only reason why

-i'm German, but I can't speak much or type it, b\c I was born in America, and was never teach much of it.

Pretty much 40% of America is descended from Germans in one way or another.

Yeah, I lived around Kaiserslautern as my dad was U.S. Army, we found some pretty cool stuff in the woods sometimes, once I remember there was an old metal crate with the Iron Cross on it.. it's amazing when you think how long ago things date back.
